Form 5500 Schedule C
Eligible Indirect Compensation Disclosures
Calendar Year 2011**

This document is being provided to assist plan sponsors and their Form 5500 preparers in completing the 2011 Form 5500 Schedule C. The disclosures and references herein are intended to comply with the Department of Labor's alternative reporting for Eligible Indirect Compensation for Part 1 of the Schedule C.

Part I: Identifying Information

The name of each American Century Investments mutual fund, as well as its share classes and ticker symbols can be found in the applicable prospectus and summary of additional information ("SAI"). A current prospectus and SAI can be obtained at www.americancentury.com or by contacting us at (800) 345-6488. For your convenience, attached to this document is a table showing CUSIP numbers and fund and advisor EINs for all American Century Investments mutual funds.

Part II: Fees

American Century Investment Management, Inc. ("Advisor") provides investment management services to mutual funds within the American Century Investments fund family. For the services it provides, the Advisor receives a unified management fee based on a percentage of the daily net assets of each class of shares in a fund. Out of the fund's fee, the Advisor pays all expenses of managing and operating the fund except brokerage expenses, taxes, interest, fees and expenses of the fund's independent trustees (including legal counsel fees), and extraordinary expenses. For more information on the fees and expenses of any fund, including the unified fee, please see the applicable fund prospectus and the SAI.

Part III: Gifts and Entertainment

The Advisor has received no gifts or entertainment exceeding the Department of Labor's de minimis threshold for any plan investor. The Advisor made this determination after examining the total amount of gifts and entertainment reported by all employees of the Advisor and its affiliate companies, the number of plan investors known to the Advisor, and the assets invested in American Century Investments mutual funds or other investment vehicles attributable to such plan investors.

Part IV: Research / Soft Dollars

The Advisor receives proprietary research and other brokerage services (collectively referred to as "Research") from certain broker-dealers under "soft dollar" arrangements that comply with Section 28(e) of the Securities Exchange Act of 1934. This type of proprietary research generally does not have an identifiable price. The Advisor was eligible to receive Research by sending trades and paying commissions to approved executing broker-dealers. Research may include, but is not limited to, access to company executives, conferences, analysis, forecasting services, research, and roadshow visits. The parties listed immediately below are the ten brokers (listed alphabetically) who provided the most significant amounts of Research to the Advisor during the 2011 calendar year. For a full list of brokers providing Research, please contact us at (800) 345-6488, and for more information on the Advisor's trading policies and procedures, please see Part II of the Advisor's Form ADV.
